

Connection

EST169 - E27 max. 18 W - Diffuser

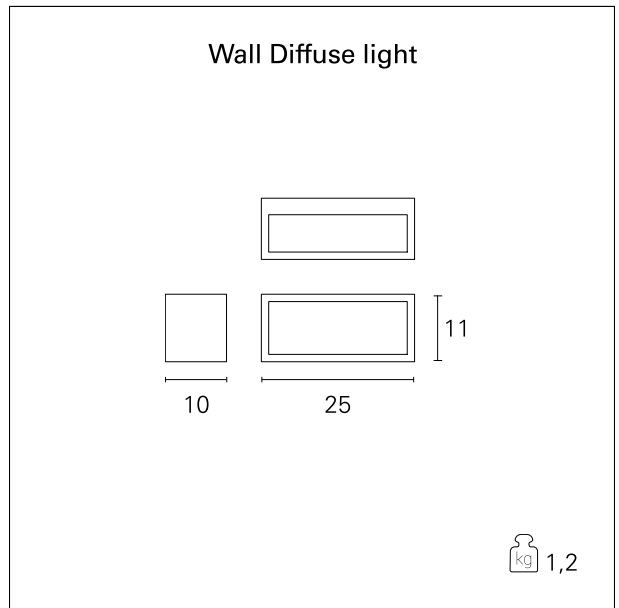

DESCRIPTION

The Connection series offers a wide range of outdoor luminaires to be installed on façades; The body of the fixture is available in two different versions: with two openings for uplight / downlight effects or with three openings for diffused light effects. Made of die-cast painted aluminum, the fixtures of the series Connection can be easily installed thanks to their base which acts as a wall fixing plate; they are equipped with E27 lamp holder or with SMD Led and driver. They have opal screens and are available in three colours white, grey and rust.
