

### Barbados

EST409 - max. 15 W - h 110 cm.

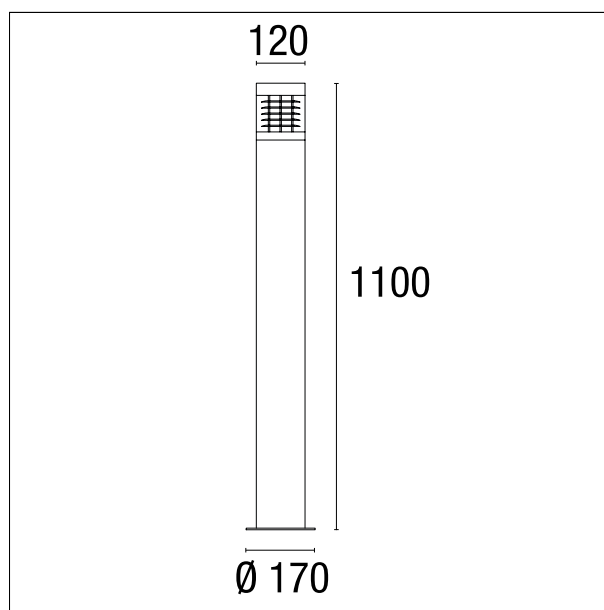

#### DESCRIPTION

The Barbados series offers a complete range of bollards of different heights to illuminate outdoor areas with diffused light; Available in three sizes minibollard 35 cm, bollard 75 cm. and 110 cm high maxibollard, Barbados illuminates the surrounding area up to 15 m in 360°. Barbados is equipped with an E27 fitting for FBT compact fluorescent lamps or equivalent LED sources. The replacement of the lamp is carried out simply and quickly by removing the optical head which incorporates the system of screens; these are designed to eliminate direct glare and direct the light exclusively downwards, cutting the light emissions upwards. Barbados is installed on the ground thanks to its solid pre-drilled base with three fixing points.
