

Davon

FAC19251 - 2x 6,5 W - Uplight / Downlight / 3000 K / CRI >80

DESCRIPTION

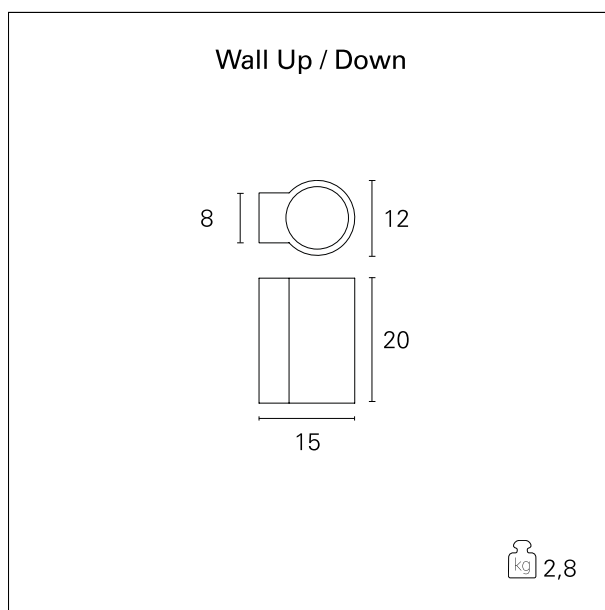

Davon is an outdoor lighting fixture that can be installed on the wall for grazing light effects; available in the double version mono and dual emission, Davon distinguishes itself for its body made of a single piece of polished cement and for its extremely clean and minimal lines. The protective glass is mounted perfectly flush with the front surface and the fixing bracket is entirely hidden into the body of the fixture. Davon is equipped with integrated driver and CoB Led, suitably placed backwards so as to limit direct glare.
