

Shop

INC1327 - 3x 15 W / 3000 K / CRI >90

DESCRIPTION

The Shop series consisting of a range of gimble projectors specifically designed for shop lighting and mounted on metallic modular plates. The plates, squared or rectangular, can be equipped with one, two or three projectors that can be oriented indipendently among them. This solution allows to group in a single light and in a single cut of the false ceiling more indipendent light sources saving on installation costs without renouncing the versatility of the system. The chromatic qualities of the LEDs used are CRI > 90 and SDCM < 3 and the fixing clips allow installation without tools.

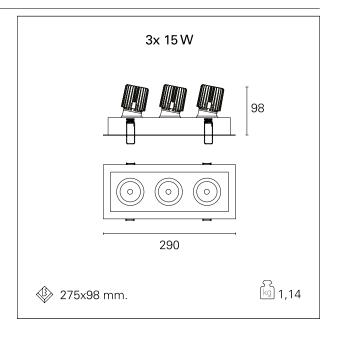

Switch On÷Off

INC1327 - 3x 15 W / 3000 K / CRI >90

HOLE RECESS DIMENSIONS

a x b hole recess

LED SOURCE DETAILS

led source type CoB Led

Photobiological risk RG 1 Low risk (IEC 62471)

 275×98 mm.

LED brand Bridgelux

Service lifetime L80 / B20 - 50.000 h.

Light temperature 3000 K
CRI CRI >90
SDCM <3

DRIVER CHARACTERISTICS

driver On÷Off
Operating temperature -20°C ÷ 45°C

LIGHTING DETAILS

emission rotationally symmetrical

luminous effect flood optic 40°
Beam angle – direct 40°
