

Widot

RTL24542PD - 10 W / 2700 K / CRI > 90

DESCRIPTION

Widot is therefore particularly suitable for all those lighting systems where the fixtures must be installed in a white false ceiling without the plaster finishing; it is a recessed product characterized by its rounded housing that, completely white and curved inwards, ensures continuity with false ceiling without signs or differences in finishes. Quick and easy to install thanks to the fast coupling system and to the "fast plug" connector of the driver, Widot is the right solution for systems that need quick installation without renouncing the aesthetic and formal cleaning of visible parts. CoB leds are selected among prime brands and the four available optics enable the realization of different accent lighting effects for all the main lighting requirements. The asymmetric version completes the range, allows the lighting of the walls with "accent washing" effects. The asymmetrical version completes the range allowing the lighting of the walls with "accent washing" effects.

Switch

Pan Digital

PRODUCTS CHARACTERISTICS

installation type	Recessed projectors
material	Aluminum
Color	White
Power	10 W
Lumen output - Direct emission	862 lm
Lumen output - Full emission	862 lm
Efficacy	89 lm/W
Diameter	ø 88 mm.
Dimensions	h 93 mm.
net weight	0,32 kg.

ELECTRICAL CHARACTERISTICS

feeding	220÷240 V
driver	Pan Digital
Insulation class	Class I

Widot

RTL24542PD - 10 W / 2700 K / CRI > 90

MECHANICAL CHARACTERISTICS

product IP rate	IP20
optical compartment IP rate	IP20
recessed compartment IP rate	IP20
IK	IK02

HOLE RECESS DIMENSIONS

hole recess diameter	ø 75 mm.
----------------------	-----------------

ENERGY CLASSIFICATION

This luminaire contains built-in LED lamps.

The lamps cannot be changed in the luminaire.

LED SOURCE DETAILS

led source type	CoB Led
LED brand	Bridgelux
LED current	250 mA
LED voltage	36 V
Energy class	LED
Service lifetime	L80 / B20 - 50.000 h.
Light temperature	2700 K
CRI	CRI > 90
SDCM	< 3

DRIVER CHARACTERISTICS

driver	Pan Digital
Power factor	> 0,9
Operating temperature	-20°C ÷ 45°C
