

### Inge

TER00123 - max. 40 W

#### DESCRIPTION

Inge is a floor lamp characterized by its peculiar stem, arched and made of a single piece of painted metal. It is completed with a marble base that enriches its design and at the same time ensures its stability on the ground, and a fabric lampshade that diffuses the light in a perfectly uniform way. Complete with E27 socket, it is powered by the white or black PVC cable; the power cable is equipped with an on/off footswitch and is 185 cm long.
