

Soft

TER066 - max. 20 W

DESCRIPTION

Soft Floor is a floor lamp characterized by the chromed metal structure. It is made in two versions: with a classic design, with straight rod and fixed lampshade, or with rod complete with double articulated arm that allows you to orient the fabric lampshade. Thanks to Soft Floor it is possible to obtain a soft and comfortable light, perfectly diffused both on the lampshade and in the surrounding ambient. The on/off switch is located on the base.
